GOODBYE BROOKE

From the JSU EBoard

As the semester comes to a close, we have to say goodbye to our incredible Assistant Director Brooke. Brooke graduates from FSU this semester with a Bachelor's in Political Science.

Brooke started with JSU in the summer of 2020 when we first became an RSO. She was first just a member of JSU then was the chair of the Spiritual and Cultural Experiences Committee before moving up to the Vice President of Programming.

As the Assistant Director, Brooke has contributed greatly to Jewish life on campus. She has attended Senate advocating on our behalf, has planned fantastic educational programs, and has overall been a fantastic friend to not just our board, but also all of our members.

The work that Brooke has done for the Jewish Student Union will never be forgotten as she moves on to bigger and better things.

We wish you the best of luck in all of your future endeavors, and please know that there is always a home for you at JSU.

RECAP OF THE SEMESTER SO FAR

By Sarah Schuminsky, Director of Outreach

Is it really November already? Our first semester as an agency has literally flown by from partnerships with other Jewish organizations to agencies alike. We started off with the High Holidays and moved into other educational events, ranging from topics on Diaspora Languages to Jews around the World. We even sponsored a movie with the SLC, bringing in over 80 students! You also got to see us in action through our board takeovers! We're so excited for our 4 amazing events this month and cannot wait to see you there!

A Message from the Director

Hi JSU! My name is Brandon and I have the honor of serving as the Director of JSU this year. This year has been off to a fantastic start, holding several fun and exciting events. I am so excited for all of you to see what is in store for next semester as we officially introduce Jewish Heritage Month to Florida State University in January!

As we begin to wrap up this semester, please look towards our social media (@fsujsu on instagram) for future events and announcements. We look forward to sharing this organization with you, and if you have any questions or concerns, please feel free to email me at jsu.director@gmail.com
